Education

B.Tech- Computer Science and Engineering (AI & ML)

Keshav Memorial Institute of technology

GPA: 8.3

2021-2025

Intermediate (XII), M S Junior College

Percentage: 95.6 %

2021

X (SSC), Sri Chaitanya

GPA: 10

2019

Projects

Leaf Disease Prediction Model

Flask, HTML, CSS , PIL ,TensorFlow

Developed a machine learning model that accurately predicts the condition of tomato leaves, classifying them as either late blight, early blight, or healthy. The model is integrated into a web application to assist farmers and gardeners in diagnosing and managing tomato plant health.

Bookstore Web Application

MongoDB, Express.js, React.js, Node.js

Developed a comprehensive bookstore web application aimed at providing a seamless and personalized browsing experience for book enthusiasts. The application includes user login and authentication features, enabling a secure and customized interface for users. It allows users to browse through a catalog of books, view detailed information, and manage their user profiles.

Certifications

Oracle Cloud Infrastructure 2024 Generative AI Certified Professional

2024

Certified by Oracle University, this credential validates expertise in deploying and managing generative AI applications on Oracle Cloud Infrastructure (OCI). It demonstrates proficiency in AI fundamentals, OCI services for AI, model deployment, security, compliance, optimization, and troubleshooting.

Career Essentials in Software Development by Microsoft and LinkedIn

2024

This learning path provided by Microsoft and LinkedIn covers essential skills in programming and software development. Topics include foundational concepts in programming, software development methodologies, and practical skills for building software applications.

Skills

Programming languages: Java, C, C++,Python, JavaScript.

Artificial Intelligence: Neural Networks,Computer Vision, Deep Learning.

Frameworks : FastAPI, Flask, Node.js, Express, React.js.

Miscellaneous: Data Structures, Git, GitHub, SQL, MongoDB.

Soft Skills: Problem Solving, Adaptability, Critical Thinking.
